Ingredients:

- Mix 1 oz vodka with 4 oz cranberry juice and a splash of club soda
- Mix one 4 oz cranberry juice with 4 oz. 7up or Sprite

Directions:

Take a bamboo skewer and trim down so it's about 1.5" taller than your cocktail glass. Thread cranberries and blueberries onto the skewer, alternating one of each color until you have a row of red and blue berries! Put the berry stick into the glass and voila! Another fun patriotic drink!
