

Partial 100th episode Transcript...

(The kids enter and walk down the aisle leading Lindsey as “The Wedding March” plays. Carrie watches from above.)

(As Lilly walks past Peyton she tosses multi-colored flowers in the air; Peyton experiences a flashback to the Tree Hill gym after the state championship.)

Lucas: “Peyton, it’s you... the one I want next to me when all my dreams come true. It’s you. It’s you, Peyton.”

(Peyton gathers herself and stands as Lucas & Lindsey meet at the alter.)

Minister: “We give thanks today for Lucas and Lindsey. For their open hearts and willing spirits; and for their closest [COLOR=gray! important][COLOR=gray! important]friends[/color][/color] and family members gathering. May we all be changed by what is stated and witnessed here today.”

(Camera is angled to Peyton and Brooke standing in a pew behind Lilly, Karen and Andy. Behind Peyton and Brooke’s pew we see Skills, Mouth, Junk, Millicent, Fergie & Jamie.)

(We see Skills lean forward to talk to Peyton)

Skills: “I got you P. Sawyer.”

(Skills reaches for one of his beers just as Brooke stands up, swivels around and whispers to him as she exits the pew.)

Brooke: “Behave yourself or I’m smacking you.”

(Brooke smiles and approaches the alter. As she does, Nathan steals a glance at Haley, he the best man and she a brides-maid. Brooke steps to a lectern and begins a reading.)

Brooke: “Now you will feel no rain, for each of you will be shelter to the other. Now you will feel no cold, for each of you will be warmth to the other. Now there is no more loneliness, for each of you will be a companion to the other. Now you are two bodies, but there is only one life before you. Go now to your dwelling place, to enter into your days of togetherness, and may your days be good and long upon the earth.”

(As Brooke’s words narrate we our brought into a flashback at the Tree Hill “Clothes Over Bros” store. After hours, Lucas sits on the couch with Brooke, a shocked look on his face.)

Brooke: “Ok, don’t freak out. You’re totally freaked out aren’t you?”

Lucas: “No. No.. I’m just. Ok. I’m a little freaked out.”

Brooke: “It’s a lot to process, I know. But now you know why I really came home.”

Lucas: “Are you sure Brooke? I mean, are you really sure about this?!”

Brooke: “Yeah I’m sure. And my heart is sure. This is what I want Lucas. It’s is what I really, really want!”

(Lucas stares into Brooke’s eyes as we relapse to him staring in her eyes after her speech at his wedding. Brooke returns to her pew. Lucas turns his attention to the minister as he stands beside Lindsey at the alter.)

Minister: “It’s a mystery. How we fall in love. Who we fall in love with. Why we fall in love at all, but we do. And when we do, we make vows to declare and confirm that love forever. Lucas Eugene Scott, do you take Lindsey Evelyn Strauss to be your lawfully wedded wife? Do you... “

(Peyton gets emotional.)

Peyton: Lucas, you can’t!

(Peyton awkwardly stands up. Skills grins.)

Skills: "Now that's what I'm talking about!"

(Brooke shoots Skills a rude glare and then looks at Peyton with an extremely confused look on her face as she tries to get her to sit back down. Silence hits the congregation as they all turn their attention towards Peyton.. including Lucas and Lindsey's. Nathan and Haley exchange questioning faces.)

Peyton: "I'm sorry... but you just.. can't. Because I love you, and because you fixed my car."

(Brooke throws the hand she had on Peyton's dress trying to get her to sit down onto her forehead as she embarrassingly smiles.)

Brooke: "Oh brother..."

(Peyton ignores her.)

Peyton: "Remember that day? Because that day changed everything. Everything about everything Luke. I just didn't know it at the time. Because when you fixed my car, you fixed my heart. But two years ago when you proposed to me.. I, I... I just wasn't ready. I was scared and I was lost, so I said someday. Well, some day's now Luke. Someday is now and I love you. I love you sooo much Lucas! PLEASE don't leave me again! Please.. people always leave!"

(Lucas looks at Peyton. Then back at Lindsey. Then at Peyton again, then back to Lindsey. Then we see Peyton blink tears and see that she is still sitting. Brooke grabs her hand and she realizes she imagined it all. The vows continue.)

Minister: "Do you promise to be true to her in good times and in bad, in sickness and in health, and to love, honor and cherish each other all the days of your life?"

(Peyton whispers to herself as Brooke looks at her empathetically.)

Peyton: "At least that's what I should've said. Instead, I said nothing. And he says.."

Lucas: "I do."

(Lucas smiles as Lindsey and we fade out of the scene.)

- COMMERCIAL BREAK-

(We return to Lucas sliding a golden wedding band onto Lindsey's finger as he smiles up at her and slides his hand through her hair. Jamie sits behind Skills as they watch this.)

Jamie: "Uncle Skills, I gotta go to the bathroom."

(Skills eyes Jamie.)

Skills: "Alright. Let's go."

Jamie: "Can I go by myself please? Lilly will make fun of me..."

(Skills eyes at him while thinking, then eyes Lilly who smiles and waves at them.)

Jamie: "I can do it. I know where it is. Please Uncle Skills! Pretty please?!"

Skills: "Ok. But come right back, you hear me?"

Jamie: "I will. I promise."

(Jamie gets up to leave.. and then turns around, walks back to Skills and hugs him.)

Jamie: "Thanks Uncle Skills!"

Skills: "Whatever dawg... come RIGHT back."

(Jamie nods and scoots out of the pew as we angle back towards the alter.)

Minister: "Lucas Scott, you have declared your love for Lindsey Strauss in front of god and this gathering. Lindsey Evelyn Strauss, do you take Lucas Eugene Scott to be your lawfully wedded husband..."

(We are now brought to Jamie leaving the men's bathroom. Carrie jumps in front of him.)

Carrie: "Jamie."

Jamie: "Nanny Carrie!"

(He jumps into her arms.)

Carrie: "Oh, I've missed you soooo much kid!"

Jamie: "What are you doing here Nanny Carrie?!"

(She looks at him with a smile as she tries to come up with a fabrication.)

Carrie: "Your mom and dad said I could be with you again. And this time, were gonna be together all the time, trust me! I get you back and I'm sooo happy! C'mon, quick!"

Jamie: "I'm not supposed to leave the church. And Uncle Skills told me to come RIGHT back."

Carrie: "I already talked to him. Jamie, you know I love you, don't you trust me?"

(Carrie offers her hand to Jamie. He ponders it as the sound of the ceremony drifts in.)

Minister: "... And to love and honor each other all the days of your life..

(Jamie smiles at his nanny as he takes her hand and they run off. Back at the alter, Lindsey eyes Lucas.)

Minister: "... And to love and honor each other all the days of your life until death do you part?"

(Lindsey eyes Lucas, then searches his eyes deeply. She glances at her wedding band, then looks back up at him with pain in her eyes and whispers.)

Lindsey: "It's a comet..."

(Lucas eyes Lindsey, confused. Then the rest of the congregation eyes her, confused as well.)

Minister: "Excuse me..?"

Lucas: "Umm I'm sorry, could you just.. could you just give us a minute?"

(The minister shrugs, then nods and retreats to a chair as Lindsey and Lucas are left alone standing in front of more than 200 people.)

Lindsey: "It was a comet, Lucas. The boy saw a comet."

Lucas: "Ok.."

(Lindsey begins to get tears in her eyes as she speaks.)

Lindsey: "The boy sees the comet and he felt as though his life finally had meaning. And when it went away, he waited his entire life for it to come back to him."

(Lucas giggles as he smiles up at her.)

Lucas: "Lindsey I love you, but this is kind of a weird time for a book review."

Lindsey: "When was the first day you ever talked to Peyton?"

(We shoot to Peyton in the congregation holding Brooke's hand and trying to stop her tears. The scene goes back to Lindsey and Lucas at the alter.)

Lucas: "Lindsey..."

(Lindsey stares at him with tears in her eyes.)

Lucas: "Lindsey, please.. let's not do this right now, ok?"

Lindsey: "PLEASE Lucas, just answer the question!"

(Lucas looks down. Then looks back up with hurt in his eyes, almost as though he's about to cry.)

Lucas: "Her car broke down."

(Were brought to a flashback of season one and a country road in Tree Hill as Lucas hooks Peyton's car up to a tow truck while she hovers behind him, holding a sketch book in her hand.)

Lucas: "That's me in your head."

- NEXT SCENE -

(Were brought to a room with Brooke and Peyton alone. Peyton's crying as Brooke holds her in her arms and rocks her back and forth.)

Brooke: "No, with Lucas."

(They part, Peyton looks up and eyes Brooke.)

Brooke: "I've spent the last four years working endless hours trying to fill a void that all the success in the world won't feel. And I realized that what I really want is a family."

Peyton: "With Lucas... you want to marry Lucas."

Brooke: "No. I want YOU to marry Lucas. I just want to be a mom. I want to be the mom that my mom never was. And I want Lucas to be the father."

(Peyton tries to process this.)

Brooke: "He looked freaked out too. It's ok."

(Peyton says nothing and falls back into Brooke's arms as Mouth approaches with a concerned look on his face.)

Mouth: "Sorry guys.. but have either of you seen Jamie?"

Brooke: "No, why?"

Mouth: "Because he's missing."

(Peyton and Brooke stare at him, shocked.)

Mouth: "Come on, we have to find Lucas!"

(They both rise and quickly follow him out of the room.)

(Outside, Nathan approaches Skills, Andy, Karen & Haley.)

Nathan: "Hey guys, what's going on?"

(Haley looks at him as panic starts to creep in and tears begin to fill her eyes.)

Haley: "I can't find Jamie!"

(Panic fills Nathan's face now as he grabs Haley.)

Nathan: "What?!"

Haley: "Dan was here Nathan."

Nathan: "What the hell are you talking about?!"

Haley: "Dan! I told him he was not to come into this church. And we've looked everywhere. Oh god. What if..."

(But before Haley can finish her sentence, Nathan darts into the street. Straight dead center into the path of an approaching police car. The car throws on its breaks, illuminates its lights, stops and two policemen climb out.)

Policeman: "What the hell do you think your doing?!"

Nathan: "My son is missing."

Policeman: "Ok, just calm down. You very well could've just gotten yourself killed!"

(Karen, Andy, Skills & Haley run up to Nathan and the police officers.)

Nathan: "We were at a wedding, and all the guests are gone and my son is missing. He's four and a half years old!"

(The Policemen exchange glances as they pull out a pen and pad.)

Policeman: "Have you been drinking this afternoon sir.. possibly you attended the reception...?"

(Nathan's look changes from concern to pure anger as he grits his teeth.)

Nathan: "What the hell kind of question is that?!"

Policeman: "Ok, you need to listen to me.."

Nathan: “No. You listen to me. My name is Nathan Scott. My father is Dan Scott. He was arrested for murder. He’s a bad guy, a REALLY bad guy, and he was here today! Now either one of you two idiots gets on your little radio and finds my damn son, or I knock both of you out right now and do it myself!”

(The Policemen both eye Nathan who does not waver or move.)

Policeman: “Sir, you need to relax.”

(Nathan does not move, just grits his teeth more as the policemen walk over to their car and start talking on their radios.)

Policeman: “Dispatch, I have a 920c, missing person, critical.”

(The other police officer eyes Nathan as he steps closer and Nathan stares him down.)

Policeman: “Sir, I’m gonna need a detailed and specific description of your son.”

(Haley notes Nathan’s strength, anger & emotional level and quickly flies into action, trying to hold back her tears.)

Haley: “His name is James Lucas Scott. He’s four and a half years old. He was wearing a black tuxedo. He has blue eyes and sandy blonde hair…”

(We are brought to a hotel room that we are unfamiliar with. And Jamie’s head is in the sink as Carrie finishes washing his hair and changing his clothes.)

Carrie: “Do you like that Jamie? This’ll be fun! You’re gonna have black hair just like mine!”

(Jamie smiles at her and then his look changes to worry.)

Jamie: “But won’t mama’ be mad?”

Carrie: “Nooo. Don’t worry about that! Besides..”

(Carrie dips Jamie’s head under the water as she smiles at the mirror.)

Carrie: “I’m gonna be your mama now.”
