Ingredients:

- 3 oz vodka
- 1/2 oz Blue Curacao liqueur
- Dash of Angostura Bitters

Directions:

- Combine all ingredients in a cocktail shaker, add ice, and shake well.
- Strain the cocktail into a clear or blue martini glass rimmed with red cocktail-rimming sugar.
- For the star garnish, take a red delicious apple, turn sideways, and slice into thin circular disks. Be sure to leave the skin on so you get the red color in your drink! Cut five triangles out of the apple disks to create a star shape. Strain the cocktail into the glass, then float the "star" on top. Adorable!
