nyitaliano3 (1:43:35 PM): she enrout?  
nyitaliano3 (1:43:38 PM): enroute?  
casey o marie (1:43:47 PM): yeah. i just called her. she's on 1-4

nyitaliano3 (7:19:18 PM): ~~not your moms fault, call that other bitch~~

casey o marie (7:19:22 PM): i swear, people in the medical field do nothing intelligent for themselves when they get hurt

casey o marie (7:19:36 PM): i just called her. she's stuck in traffic in oviedo

casey o marie (7:19:47 PM): this really sucks, worse than any of the other times.

casey o marie (7:27:22 PM): like i said, it sucks that you're putting a time limit on things

casey o marie (7:35:36 PM): it's like we're in a long-distance relationship, as much as it sucks, it's feasible

nyitaliano3 (7:35:58 PM): i cant babe, we live in the same fucking city and i see my parents more

casey o marie (7:37:07 PM): that's obviously an exaggeration

nyitaliano3 (7:37:28 PM): kinda but not really

casey o marie (7:37:31 PM): you know what you're getting into with me, and i'm sorry, caylee has to come first, my job, a close second. i can only take so much time from that for anything else

nyitaliano3 (7:38:31 PM): i understand that but understnad my point i cant see someone oce every 3+ weeks and say we're dating

casey o marie (7:39:03 PM): it's not going to be once every 3 weeks

nyitaliano3 (7:39:13 PM): it has been

casey o marie (7:39:19 PM): my schedule is changing at the end of this week. i'll have a more flexible schedule

casey o marie (7:39:53 PM): if i get my L1, i can start training in a month, make my own schedule, and it's cake from there

casey o marie (7:42:07 PM): i'm asking you to stick it out a little longer
